

ANESTHESIA PROGRESS

INDEX TO VOLUME XVI

January

An Objective Measure of Recovery	4
Audio Analgesia Revisited	8
Pharmacotherapy and Trigeminal Neuralgia	15
Official Program, ADSA Annual Meeting	18
Scientific Program, ASDA Annual Meeting	19
Scientific Abstracts	22
New Members	26
Book Reviews	28
Announcements	29

February

Early Emergency Care for Severe Injuries of the Mouth and Jaws	40
Operating Room Semantics	44
Use and Abuse of Antibiotics	47
Announcements	52
New Members	55
Medicaid as It Relates to the Limited Practice of Restorative Dentistry Under General Anesthesia	57

March

The President's Corner	68
Cardiac Symptoms: Functional vs. Organic	69
Evaluation and Anesthesia for the Diabetic	74
Scientific Abstracts	79
A.D.S.A. Annual Meeting	80
Announcements	84
News	90
Calendar of Scientific Events	90
U.S. Department of Health, Education and Welfare	91
New Members	92

April

The President's Corner	100
Binasopharyngeal Airways—A Rediscovered System for Anesthesia	101
A Survey of Neuroleptanalgesia	105
Scientific Abstracts	109
Announcements	114
A.D.S.A. Calendar of Scientific Events	117
American Fund for Dental Education	118
"The Jorgensen Technique"—a Tribute to Neils Bjorn Jorgensen	119
A.D.S.A. Application for Membership	124

May

The President's Corner	132
The Management of Idiosyncrasy Related to Local Anesthesia	133
Scientific Abstracts	138
Report of Annual Meeting	141
Announcements	146
A.D.S.A. Calendar of Scientific Events	149
Book Reviews	150
News	152
New Members	155

June-July

The President's Corner	160
Electrocardiographic Findings During Out-Patient Anesthesia	161
Cardiopulmonary Resuscitation Symposium	172
Scientific Abstracts	174
Component News	177
Book Reviews	179
Resolution	179
Announcements	180
News	183
New Members	185
Application for Membership	186

August-September

The President's Corner	192
American Society of Oral Surgeons—President's Message	194
Pharmacology of Intravenous Anesthetic Agents	195
Current Research in Local Anesthesia	201
Program—ASDA Scientific Meeting	206
Scientific Abstracts	208
New Members	211
Correspondence . . . and Reply	212
Announcements	213
News	218

October

The President's Corner	228
Dental Legal Problems	230
Nitrous Oxide-Hemopoietic Toxin?	239
Blood-Oxygen Levels During Nitrous Oxide- Oxygen Analgesia	244
Program—ASDA Scientific Meeting	246
Scientific Abstracts	248
Book Reviews	254
New Members	255
Announcements	256
Calendar of Scientific Events	258
News	261

November

The President's Corner	272
Anatomy for General Anesthesia	274
Intravenous Therapy	280
Program—ASDA Scientific Meeting	286
Case Report	288
Scientific Abstracts	290
News	292
Announcements	294
Calendar of Scientific Events	296

December

The President's Corner	308
Guest Editorial: The Time Is Overdue	310
Complications of Tracheostomy	312
Evaluation of Levoprome and Demerol as Pre-Operative Medications	315
Scientific Abstracts	320
Heidbrink Award	323
New Members	324
Component News	325
Book Review	325
Announcements	326
Index to Volume XVI	329
News	333
